

Badgers After-School Club

At Ss Alban & Stephen Infants

Our aim: To care for our pupils in a safe and happy environment at the end of the school day.

When does it happen? The Badgers club runs from 3:10 – 6:10 Monday to Friday, term time only. The club does not run on the last day of each term.

Who runs the club? Staff appointed by the Infant school who have completed the required checks, safeguarding and first aid training. They understand how to encourage inclusive play and positive relationships.

We want the club to be an enjoyable experience for all pupils and expect the same high standards of behaviour to continue after school. Our school rules and policies also apply here:

1. Behave safely
2. Respect others
3. Look after our school and everything in it.
4. Always do your best

Who is it for? We cater for pupils from reception to Year 2. Nursery children with older siblings already in school may be accepted once they have reached age 4, subject to a discussion with the Club Supervisor. Children attending on-site sports or languages clubs will be accompanied to Badgers after their clubs have finished.

Where is it based? The club is based in our Foundation Stage building. Children are escorted to the club at the end of the school day for registration. Parents should collect children from the nursery door. Children will only be permitted to leave when signed out by an authorised person.

What happens at Badgers? Your child can choose from a range of different activities. We have access to the Foundation Stage equipment and aim to provide outdoor play every day (weather permitting).

Indoors there are puzzles and games, Lego, small world play, art and creative activities. There is a quiet area for children to read and share stories. Each half-term there will be occasional activities, such as parachute games, seasonal crafts or a DVD, rated U or A.

Tea Time A healthy tea will be served at approximately 4:15 (once children attending after-school clubs arrive at Badgers). It will consist of bread, cold meats, cheese and vegetables. A selection of fresh fruit and yoghurt will be on offer. Children can choose water, milk or sugar free squash to drink. We are a nut-free school and have many children with special dietary requirements so regret that snacks/foods from home are not permitted.

Failure to pay may result in an additional admin charge of £20 being added to your account. We appreciate that families may experience financial difficulties and are happy to discuss payment plans – please speak in confidence to Mrs Dempsey and we will do our best to help you.
