We sometimes have hotdogs there. You will do some gardening (like planting flowers). You put lolly sticks in the soil and you write the name of the plant on them. You will have some Adults who will

the end the school will look totally awesome like the best garden in the whole wide world and you will get to stand up in assembly.

Ps Can you offer time or advice? Please see Mrs Murphy. Thanks!

Green Day 2017

On Green Day there were building activities. There were also letters saying Green Day and we decorated them with pinecones and beads.

We also

- Made minibeasts
- Built dens
- Mud pies
- Rode on scooters
- Made friendship bracelets
- Clay endangered animals
- Painted plant pots

We also sang our Green Day song 'I am the earth' in the hall. By Elena.

Litter Picking

We do litter picking because we like our school clean.

By Julius

We had a eco assembly and they told us the winners of the eco competition.

By Francesca

We had an Eco poster competition and they announced the winners. Here are two of them.
