Green Day!

The whole school topic has been 'Green' this half term.

We decided to have another green day during this topic.

We had lots of fun and learnt about caring for our World.

We wanted to save electricity so we did all our learning outside and had a packed lunch to eat.

Rafael, Year 2

Our New Eco Team

Our New Eco Team are Olivia and Joseph (Class 1), Sofia and Asher (Class 2), Ceci and Edward (Class 3), Emily and Frankie (Class 4), Rafael and Evie (Class 5), Elijah and Elisa (Class 6)

Get Your Grown Ups Gardening Autumn 2017

On Saturday 16th September we had a gardening afternoon at school. We did

- Some weeding
- Planting
- Sweeping

Children and adults are welcome to join us at our next Gardening session.

The date will be added to our school website.

The Eco Team put up the bird feeders that were made during Green Day in our Outdoor Learning Area.

Ceci and Joseph enjoyed making mud pies and said it was lots of fun.

Frankie liked working with the crates and planks. He said that the group he worked with had built a house.

Elijah said that Green Day was good because we saved electricity.

Olivia said that she loved using bricks to make a home for a squirrel. She said that it was important to work as a team.

Walk to School

The children are enjoying logging their journeys to school each day. They are awarded a special badge if they make 2 or more active journeys to school each week. An active journey can be walking, cycling, scooting or park and stride.

Our Eco School Code

Walk to school if you can.

Only use what you need.

Reuse and recycle.

Lights off when not needed.

Do put rubbish in the bin.
