

## Minutes from Eco School Meeting - 10/3/17

Present:

Elijah and Elisa (Class 3), Evie and Rafael (Class 4), Vincent and Bella (Class 5), Daniel and Grace (Class 6) and Mrs Tennant.

1. We talked about the Eco Team assembly that we had in December and the children were pleased with how it went.
2. Mrs Dempsey has arranged for a flagpole to be put up in the Easter holidays to display our school green flag. The Eco Team are really excited about this news.
3. Mrs Tennant showed the Eco Team some information about another award that we could apply for in our school. It is called the Green Tree School Award. Mrs Tennant has planned to meet with a lady from the Woodland Trust to find out more about the award.
4. We talked about planning another Green Day during the Summer term. The children knew that it is a really important day because we save electricity by doing all our learning outside. The children thought the activities should include a scooter race and making words or pictures with natural resources. They also thought we should have packed lunches that day so that we don't need to use any power in the kitchen.
5. The children then went out into the playground with the litter pickers as they recognise the importance of keeping our playground neat and tidy.
