

Minutes from Eco School Meeting - 2/11/17

Present:

Elijah and Elisa (Class 6), Evie and Rafael (Class 5), Emily and Frankie (Class 4), Edward and Ceci (Class 3), Sofia and Asher (Class 2), Livy and Joseph (Class 1) and Mrs Tennant.

1. We talked about the 'Living Streets' website that the children are using to log their journeys to school. The Eco Team reported that the children in their classes are all really enjoying logging their journeys each day.
2. We looked at the updated Newsletter that is now ready to put on the school website.
3. Each class will have a new copy of the Eco Code to put up in their classrooms.
4. The Reception children explained that they have a special bin in the Foundation Stage for recycling food waste at snack time. The Key Stage 1 children thought that it would be a good idea to do the same and Mrs Dempsey has got a food recycling bin to put in the Key Stage 1 playground. We thought that the Year 2 milk monitors could empty the bin each day into the food recycling bin outside with a teaching assistant and put a new biodegradable bag into the bin each morning.
5. The Eco Team went to our outdoor learning area to put up the bird feeders that children had made during Green Day. We took some photographs that are on our Eco Board near the school office.
6. The Year 2 children began to sort out the decorated pebbles that were made during Green Day ready for children to take home.
