

Minutes from Eco School Meeting - 21/9/17

Present:

Elijah and Elisa (Class 6), Evie and Rafael (Class 5), Emily and Frankie (Class 4), Edward and Ceci (Class 3), Asher and Sofia (Class 2), Livy and Joseph (Class 1) and Mrs Tennant.

1. Mrs Tennant welcomed the new members to the Eco Team and the Year 2 children talked about some of the jobs that the Eco Team do, such as picking up litter and making sure that classroom lights are switched off at lunchtimes.
2. We talked about having a 'Green Day' as part of our whole school topic 'Green' this half term. The children said they loved den building, decorating big letters on the playground and making castles with the crates at the last Green Day.
3. We thought that it would be a good idea to put an ideas box by the Eco School notice board near the office so that other children in the school can contribute their own ideas for 'Green Day'.
4. The Eco Team thought that it would be good to have a 'Recycling Week' the same week that we have 'Green Day'.
5. We talked about the 'Golden Boot' award for 'Walk on Wednesdays (WOW)'. We thought that teachers could ask children to say how they came to school each Wednesday morning and the class that makes the most active journeys will receive the Golden Boot in assembly. The Eco Team said that they liked logging their journeys on the computer each morning if we were able to register for this again.
6. Mrs Tennant told the Eco Team that they would each be getting a special badge to wear so that the other children in their class will know who is on the Eco Team.
7. We looked at the Eco School notice board and Mrs Tennant took a photograph of the New Eco Team to display on the board.
8. The Year 2 children showed the new children in the Eco Team how to use the litter pickers to pick up rubbish in the playground and will try to remember to do this every Friday.
