Dear Parents/Carers

Re: Green Day – Wednesday 24<sup>th</sup> May 2017

Our school ECO team came up with a great idea of holding a ‘Green Day’. A ‘Green Day’ is an event that helps to make schools sustainable. It aims to inspire pupils and staff to learn about climate change and think about how it relates to the buildings and spaces around them.

We are aiming to plan lots of outdoor activities and will require lots of resources and help. Please collect and save various materials e.g. pebbles, shells, twigs, leaves, feathers, willow, general natural items left over from gardening. Weaving – coloured plastic bags, ribbons and buttons . These should be brought into school as soon as possible.

On ‘Green Day’ we would like the children to wear green, old gardening clothes to school. If the weather is wet please send them wearing a waterproof coat and trousers (if you have them) and wellies. The children will be having a picnic lunch which the kitchen staff will provide. This is because we will not be using any fuel that day to cook lunches.

If you would like to help on that day – whole day, morning or afternoon – please fill in the form below and return to school as soon as possible.

Many thanks.

Bernadette Dempsey

I can help on ‘Green Day’ Wednesday 24<sup>th</sup> May 2017

Name: \_\_\_\_\_

Child’s Name: \_\_\_\_\_

All Day

Morning  
(9.00-12.00)

Afternoon  
(1.00-3.10)
