

Minutes from Eco Meeting

20/7/17

Present: Mrs Tennant, Mrs Doherty, Vincent, Bella, Daniel, Grace, Evie, Rafael, Elisa and Elijah.

1. Mrs Doherty came to show the children the new Eco Newsletter that she has been working on with children in Year 1 and 2. The newsletter included information about 'Get Your Grown Ups Gardening' and 'Green Day'. The Eco Team were really pleased with the newsletter. They thought that the newsletter should be added to the school website and emailed to families.
2. Mrs Tennant presented certificates to all of the children in the Eco Team to thank them for their hard work this year. Mrs Tennant explained that the year 1 members will continue with their role at the beginning of the next school year.
3. We discussed the achievements of the school year, such as the recycling week, Green Day, assemblies and poster competitions that we have had.
4. We talked about a whole school topic called 'Green' that all classes will study in September and how this topic could be used to help children learn about caring for the environment. The Eco Team thought it would be a good idea to have another 'Green Day' in the Autumn Term.
