6th October 2017

Dear Parents and Carers,

Thank you to everyone who attended our open classroom session this morning. The children are always proud of their learning and open classroom gives parents and carers the opportunity to see the progress being made. Lots of parents commented on how much the children have already achieved this year so far and we are all extremely proud of them.

Green Day

We are looking forward to our Green Day activities on Monday. Thank you to everyone who has offered to help out. Nursery families, please note that children will be mainly based outdoors in the Nursery. They will also join a group for one activity.

Living Streets

We are pleased to announce that we are continuing with the Living Streets' Walk to School campaign during this academic year. Children will be encouraged to participate in the year round walk to school challenge. Pupils will log their daily journeys to school in class each day on the WOW travel tracker. Children who walk to school at least once a week for a month earn a WOW badge, with 11 to collect across the year. If you can't walk the whole way, you can park and stride and it will still count as an active journey. The children will be taking home more information in their book bags today and their first WOW badge to encourage active journeys to school. Nursery children will be participating at a later date.

Uniform Sale

We will be holding a used uniform sale on Friday 20th October. Please send in any unwanted uniform in good condition (no summer dresses please).

Nasal Flu Vaccination

Children in Reception, Year 1 and Year 2 can have the nasal flu vaccination in school. Paper consent forms can no longer be accepted but School Health have extended the deadline for submission of electronic consents to 20 October - <https://forms.hct.nhs.uk/form1>.

Kind regards

Building God's Community of Love and Learning
