

Dear Parents and Carers.

The children have made us proud this half term and have settled brilliantly. Thank you for your co-operation and support.

Next term we will be focusing on a range of topics that we require your support with. We have been looking at recycling materials and developing our creative skills so it would be very helpful if you can bring in any spare recycling materials for us to use in junk modelling. We have allergies in the class so please avoid items which have come into contact with gluten or lactose. Cardboard tubes and boxes are popular with the children.

Our RE topic is looking at Baptism so we would appreciate if you could bring in a baptism photo for the children to share with the rest of the class. These can be an original photo or a photocopy.

Finally, for the week commencing 13.11.17 we are covering a topic of 'people who help us.' If there are any kind parents who wouldn't mind coming into school to talk to the children about their jobs and how they help people such as nurses, policemen etc. It would be a short 10-minute chat with reception and they will then have the opportunity to ask what we're sure will be very interesting questions.

Full topic and curriculum information can be found on your Autumn 2 information letter sent in a separate Parentmail.

Thank you again and have a relaxing half term holiday.

From the Reception Team
