

School Council Minutes

Thursday 11th May 2015

All children arrived promptly in class 3 to begin our meeting.

Everyone was excited to be part of the school council as this was the first meeting of the summer term.

While the children ate their delicious lunch, Miss Cannon took photographs of our new representatives.

The children then wanted to discuss the playground and the wonderful new equipment that we have been using recently.

All children agreed that it was easy to take out and tidy away the equipment independently and the new boxes and sheds helped with this.

Most of the children said that their favourite toys were the balls as they could play lots of different games with them such as 'piggy in the middle.'

Emerald said that she is trying really hard to learn how to skip, she thinks that she is really like Gerald the giraffe- she can't skip YET but with practise she will soon be able to skip really well.

The meeting finished at 12.30 and everyone went outside to play.
