and Mrs Parkinson

Welcome to our new school council representatives. We talked about how we have our meetings. We eat lunch while we have our meetings, so they are our 'eating meetings'.

The children talked about the playground and what they enjoy playing with, both over in the Reception playground and in the big KS1 playgrounds.

It was suggested by Year 1 and Year 2 children that what they want most of all is to be able to play with CRATES in the playground. They love going over to the Reception playground and playing with the crates there, but would LOVE to have some of their own.

They would also like bikes. We did talk about space and whether it would be practical to have bikes in the big playground, and this needs a bit more discussion.

There was a request for a new 'noughts and crosses' game, which needs replacing, and for hoops. So many children enjoy 'hooping' this seems a brilliant idea. Mrs Parkinson will sort this out.

The next meeting will be in a few weeks, thank you for all your ideas.
