

Autumn Fair 2017 – We Need Your Help

To All Parents and Carers,

The Autumn Welcome Fair will take place this year at the Infant school on Saturday September 23rd from 12-3pm. Planning is already well under way and several fantastic parents (some experienced and some new) have come forward to run many of the stalls. We have some gaps though and need volunteers to take ownership of these areas. Please note: The stall owner does not need to be on the stall throughout the fair but is responsible for making sure it is stocked and set up and that there are sufficient volunteers for it to run effectively – the PTA can help and advise with all of these.

These are the vacancies – email ssaspta@gmail.com or speak to Chantelle Nicholls or Celia Roberts if you (or you and a friend) can help.

The Sweet Tombola – a school fair favourite!

What is required: Someone to take charge of the stall and ‘own’ it for the day. The Infant School teachers collect the sweets and chocolates and label them. All we need from the stall holder is to organise in advance a rota of volunteers to man the stall and to set up on the day.

Hot Drinks – essential if the weather isn’t good.

The stall owner is responsible for purchasing cups, coffee, tea, milk, sugar etc, organising a small rota of volunteers and setting up and overseeing the stall on the day.

Pocket Money Emporium - new for 2017!

A stall selling lucky dips, mixed sweet bags, bubble wands etc. This will involve choosing and sourcing the items for sale (help available), may require a bit of lucky dip wrapping and then the usual set up and getting volunteers to help sell on the day.

Photo Booth - new for 2017!

We would like to repeat the success of the charity photobooth at one of the Junior discos. We need someone to take charge of a ‘Photobooth’ – ideally a keen photographer (s), who would be willing to take photos of the children dressed up/face painted etc and then arrange an online distribution/link where the photos can be downloaded.

Set Up

In addition, we are looking for as many people as possible to help with the overall set up – putting up gazebos, moving chairs and tables etc. From 9am on the morning of the Fair.

Other Ways you can help now:

Raffle Prizes

If you have anything you can donate to this year’s raffle please contact us on ssaspta@gmail.com.

Toy, Soft Toys and Books Stall

If you are having a clear out over the Summer holidays please save any unwanted, good quality (working and complete) toys for the toy stall. We will be asking for donations as soon as we come back in the new school year.

Many thanks and we hope you have an enjoyable summer.
