Dear Parents

### Scooters for Green Day!

We are holding our Green Day on Wednesday 24<sup>th</sup> May. As part of this we would like to run a scooter assault course! As many children use scooters to come to school, we would be very grateful if we could borrow some of their scooters and helmets to use on this day. We will take very good care of them and staff will be supervising all scooter sessions.

If you can help, please return the slip below to the office by Monday 22<sup>nd</sup> May.

All equipment should be labelled with your child's name and class. It should be left at the front of the main school building (near the pond) in the scooter park.

To avoid confusion, any scooters or bikes that are not on loan for the day should be left by the Foundation Stage building and collected from there in the afternoon.

Many thanks

Bernadette Dempsey

---

I can lend a scooter and helmet on Green Day, Wednesday 24<sup>th</sup> May.
