Lunch Club

We offer a daily lunch club from 11:45 - 12:30 to enable our Flex 1 and Flex 2 children to stay at school all day. It is a supervised session run by school staff and Flex children are taken back to nursery at the end of lunch.

Children should bring a packed lunch each day. These should be in keeping with our school's healthy eating guidelines – no fizzy drinks or sweets. We have children with nut allergies in school so no nuts at all. Please be aware that many chocolate spreads contain nut essence. There is a box for you to tell us about any allergies or other essential health information we should know about.

Each session costs £3.50 – you will be invoiced in advance for each half-term. Please note that missed sessions are non-refundable.

It is possible to offer Lunch club sessions to Morning and Afternoon Nursery children if there are spaces available. In order to ascertain demand, please indicate below if you would be interested in a lunch club session for your child. These additional places are only offered on a half-termly basis and will be reviewed before each school holiday in order to give as many pupils as possible the experience of enjoying lunch at school.

Please return to school by Monday 1 st July.
