

Minutes from Eco School Meeting - 8/12/17

Present:

Elijah and Elisa (Class 6), Evie and Rafael (Class 5), Emily and Frankie (Class 4), Edward and Ceci (Class 3), Sofia and Asher (Class 2), Livy and Joseph (Class 1) and Mrs Tennant.

1. We discussed the 'Switch Off Fortnight, that we took part in from 20th November - 3rd December. The Eco Team will remind the children in their classes to return the sheets that they completed to school so that we can see how everyone saved electricity and water. We will display some on the Eco Board and put the rest in a book.
2. We looked at the anti-litter policy for our school and talked about how we are all responsible for looking after our school environment. Our Eco Code and School Rules both have reminders about looking after our school environment.
3. We discussed the main points from our school Environmental Review and agreed what should be on our Action Plan for this School Year.
4. The children were particularly pleased with the energy saving lightbulbs that we have started to install in school, as these use less electricity and last much longer than the previous ones that we had.
5. They are also pleased that the fruit rubbish from the Key Stage 1 playground is also being recycled now.
6. The children are enjoying logging their journeys to school and we are now including the weekly totals on our Eco School Board.
7. The Eco Team are keen to be involved in participating in an Eco Assembly next term. Mrs Tennant will arrange a date for this with Mrs Dempsey.

Date and time of next meeting - Thursday 11th January 2018 at lunchtime in Class 5
