Dear Parents & Carers,

Consultation of Admissions for the year entry 2019-2020

The Governing Body of the school must consult widely on its admissions criteria every 7 years or whenever a change is proposed.

The criteria for Reception admissions in 2019-20 are outlined in the attached document. The order and spirit of criteria are not changing however we are required to revise some of the definitions used and remove requests for some information, in line with Government and County guidance.

In this consultation exercise, we are asking a wide range of people for their views, not just current parents but prospective parents, members of the parish and local community, local playgroups, etc.

Please read the attached proposal for 2019-20. Any comments should be emailed to admin@ssasinfants.herts.sch.uk with the subject Admissions Consultation. Comments in writing are welcome at:
