

Dear Parent/Carer

We would like to offer you an opportunity to come into the classroom to share your child's learning journal. It will be a 5-minute session after school to look at your child's work. The children are really proud of their work and we want to celebrate this. These sessions will be available in the week beginning 22.01.18. A sign-up sheet will be available outside the classroom door the week before. Please fill in the day that suits you so that we know which learning journals to have out after school.

It is a lovely opportunity to spend school time with your child and see what they have been doing in school.

Many thanks,

Reception Team
