

Show and Tell

A big focus in Foundation Stage is on developing self-confidence and promoting communication skills.

We would like to give your child the opportunity to prepare a little talk at home to share with their class. It does not need to be learnt as we just want the children to feel comfortable when speaking to others. It would be helpful if they could practice what they intend to say at home before presenting it to the class.

It needs to no more than 2 minutes long on a topic that interests your child. They can talk about a hobby, sport, their family, holiday or an outing they've been on or even either something to do with our class topic of tales around the world. They can bring in a prop to show the class but we discourage toys.

Please can we remind you to only to bring in items on your show and tell days and not at other times, see timetable below.

Show and tell will take place on a Wednesday

	Class 1	Class 2
21.2.18	Zebras	Snake
28.2.18	Ostriches	Fox
7.3.18	Giraffes	Gruffalo
