2nd February 2018

Dear Parents & Carers,

It has been quite a week! I am overwhelmed by the support and kindness I have had from you, my colleagues and Governors. Thank you from the bottom of my heart for your generous response to my news. I am truly blessed.

Diary & Term Dates

These dates went home this week so please add them to your calendar. I would draw your attention to the Autumn and Spring half-terms in 2018-19 which are different to our usual weeks.

Reception Assembly - 9th February

Year 1 and 2 teachers benefitted from the opportunity to examine work from other schools at our moderation session this morning. Normal service will be resumed next Friday morning when Reception children will present some of their learning at 9:10. Reception classes will be open afterwards to allow children to show you what they have been working on.

Admissions Consultation on expanding St Peter's School

Hertfordshire County Council has published a consultation on plans to expand St Peter's School to accommodate increased demand in this area. As you are aware, views on any such change are invited. More information can be found at <https://www.hertfordshire.gov.uk/about-the-council/consultations/schools/st-peters-school-consultation.aspx>

Maths Bring & Buy sale

It's the equivalent of the Harrods sale for under-seven's! We collect your donations of clean, good quality games and toys for a table top sale in the library, giving each class a chance to 'go shopping'. All proceeds go to a charity nominated by the school council. Please begin sorting over half-term and we will be happy to take donations from Monday 19th February. More information to follow.

Nearly new uniform sale

There will be a uniform sale on Friday 23rd February at assembly. All donations of clean uniform in good condition to the Infants school after half-term please.
