

Minutes from Eco School Meeting - 23/3/18

Present:

Elijah and Elisa (Class 6), Evie and Rafael (Class 5), Emily and Frankie (Class 4), Edward and Ceci (Class 3), Sofia and Asher (Class 2), Livy and Joseph (Class 1) and Mrs Tennant.

1. Mrs Tennant congratulated the Eco Team on being awarded the Green Flag for a further two years and thanked them for sharing all that we have been doing with the visitor who came to assess the school.
2. We discussed the Sustainable St Albans week that our school will take part in at the end of April. The Children suggested ideas of items that each class could use to create a 'Garbage Gobbler' as our school project for the week. The suggestions included tissue boxes, cereal boxes. Plastic bottles, milk bottles, newspapers, yoghurt pots and cardboard tubes. We talked about having an assembly with an Eco Focus during Sustainable St Albans Week.
3. We talked about the African Garden that has been turned into an Easter Garden with the help of Mrs Murphy and the children in our School. The Eco Team will thank the children in their classes for contributing to this lovely whole school project.
4. We talked about giving some other children the opportunity to be part of the Eco Team and agreed that class teachers should select new representatives at the beginning of each term, just as we do for the school council. The children who are currently part of the Eco Team will help the new members to learn about the Eco jobs such as turning off lights at lunchtime and picking up litter in the playground. The children in the Eco Team will return their badges to their class teachers.

Date and time of next meeting - Thursday 19th April 2018 at lunchtime in Class 5
