26 April 2018

Dear Parents / Carers

Welcome back for our last term in Reception. A few pleas and home learning for this half term.

If you have any recycling – any leftover Easter egg boxes or cardboard tubes – please bring them in for our junk modelling projects. Although please be aware that egg boxes and any boxes that have contained gluten are not suitable.

We are looking at animals for our topic and are very excited for our Woburn trip next week. For some home learning we would like each child to research their favourite animal. Please could you provide a picture or drawing and some interesting facts about that animal. We only ask that you include where the animal comes from to contribute to our 'animals around the world' display.

Finally, with Pentecost coming up, we are looking at 'Good News'. We have asked the children in class to share their good news but if you have any additional news you would like to share then please do send it in to school and we can add it to our display.

Thank you,

Reception Team.
