

Sustainable St Albans Week
21st-29th April 2018

Sts Alban and Stephen Infant and Nursery School

Home Learning Challenge

We will be thinking about reducing waste by recycling our rubbish during Sustainable St Albans Week. We also want to remind people to place litter in rubbish bins so would like the children to design and make a 'Garbage Gobbler' monster at home, using recycled materials.

The Eco Team have decided on a different type of recycled material for each class.

Nursery – cardboard tubes

Class 1 – Cereal boxes

Class 2 – Plastic bottles

Class 3 – yoghurt pots

Class 4 – Plastic milk bottles

Class 5 – Tissue boxes

Class 6 – Newspapers

Please bring your 'Garbage Gobbler' monster to school by Monday 30th April 2018. Remember to write your name on your creation.

There will be some prizes for taking part and we will display our 'Garbage Gobbler' monsters in school.
