Dear Parents & Carers,

Thank you to those parents who have signed and returned user agreements for Marvellous Me! Please keep them coming so we can get the app up and running.

Admissions to Reception and Juniors for September 2018

Monday 30th April is the deadline for school places so please ensure that you have accepted your offer online.

School Crossing Patrol

Christine Mawby, our lollipop lady, won't be back to work next week. We are fortunate to have such a lovely and reliable lady and her absence is keenly felt on such a busy road. School and governors have been in touch with Herts County but they have no relief crossing patrol staff available to cover. Please take additional care when crossing Camp Road and stick to the usual crossing place. School staff and parents are not permitted to replace her without appropriate training. We can take advantage of such training, enabling us to organise a parent rota for the rare occasions when Christine is unavailable. Please email your name to the school office if you would be willing to volunteer and I will keep you informed of progress.

After-school clubs

Administration and allocation of places for all language classes, gym club and mini Olympics is the responsibility of providers, not school office staff. Paper letters are sent when signed parental consent is required. Questions about places, certificates, etc. should be addressed to the providers. We pass these on as soon as we receive them. It is particularly important that parents check the start and finish dates of clubs as we often have children left after school when parents assume that a club is running. Thank you.
