

# School Lottery

## Monthly cash prizes to be won

The School Lottery gives everyone the opportunity to contribute to school funds with the added bonus of the chance to win back more than you pay in!

### How it works

For £12 a year (i.e. £1 per month) you receive a lottery number, which remains the same until the end of the school year. Your number, along with all other members' numbers, is entered into a lottery draw, which is drawn at the Infant school assembly on the last Friday of each month during the school year (10 draws October to June).

### 3 cash prizes to be won each month!

The prizes for 2018/19 will be dependent on the number of participants but, as an example, last year's monthly prizes were £30, £20 and £10. Half of the monies received are retained by the PTA for the benefit of our children with the other half being paid out in prize money. You can buy as many numbers as you want. One number cost £12 (or £1 per month by standing order) and you get 10 chances to win. The more numbers you have the more chances you have of winning.

Last year we raised **£600** for the school so please consider becoming a member this year.

### How to join – be in it to win it!

To register for the 2018/19 School Lottery you can register in one of two ways:

1. Fill in the online registration form using the following link and confirm the payment method you will use for your entry. Payment can be made by cash, cheque, online bank transfer or standing order (details included below). Where paying by cash or cheque, payment should be made to the school office in an envelope marked 'PTA – School Lottery + [Main contact name]'. This will enable us to match your payment to your online registration form. [Click here to register online](#)

OR

2. Fill in the registration form on the following page and return it to the school office in an envelope marked 'PTA - School Lottery + [Main contact name]'. Payment can be made by cash, cheque, online bank transfer or standing order (details included below).
