

12 October 2018

Dear Parents & Carers,

It has come to my attention that a small numbers of parents have been trying to turn their cars around outside the school gates on Vanda Crescent at pick up time. This is extremely dangerous as children are using the pavements and some drivers have struggled to see them. Please consider those around you and continue driving to the top of Vanda Crescent instead of turning around outside the main school gates. Parents should also be aware that they are **not permitted** to walk through the staff car park with their children. This morning two children were narrowly missed when their parents walked straight behind a reversing car without looking first. Please be extremely careful at drop off and pick up times - your co-operation is greatly appreciated.

Golden Rule of the week!

Each week we will be emphasising one of our key golden rules in school through story and play. The golden rule for next week will be:

"We are kind and helpful, we don't hurt anybody's feelings"

Please talk with your child at home about this rule/value. Key questions might be:

- Why is it important to be kind and helpful?
- How can you show others that you are kind at home and in school?
- What does Jesus ask us to do? (Treat others as you would like to be treated)

Well done to those who had explored the first value at home last week- it made a considerable difference to those children in understanding the importance of being gentle.

Assembly

Reminder- all certificates must be handed in by Thursday at the latest to be awarded at assembly on Friday morning. Any certificates received after will be presented the following week.

Maths Week

The teachers have an exciting week of learning planned for Maths Week next week. On Wednesday, please remember to bring £1 and a named carrier bag for our Bring & Buy Sale. On Thursday morning, the children will become Maths detectives by searching for clues to Maths questions in our environment.

Join us on Friday morning for our Maths open classroom and information session for parents from 8.50am. There won't be a celebration assembly that day, certificates and birthdays will be presented on Friday 26th October instead.
