Behaviour & Rewards

- We are proud of our well-behaved children!
- Our behaviour policy continues to reflect our STEPS training which has an emphasis on positive behaviour.
- We have regular celebrations for the whole school to encourage the children to develop intrinsic motivation for learning. Last year we had Green Day in September and the farm visit in July. This builds on work already done to build self-esteem and good team work and achieve personal goals.
- Parents will receive information about the children's learning and achievements via the Marvellous Me app.

Timetable

 - Class 4 = Monday and Thursday
- Forest school will be Wednesdays and Thursday - dates will be on the website.
- Look at the website for all dates & curriculum information.

Home Learning

- Children will take home a list of choices linked to their Topic, RE, Maths & English.
- Children work with their families to choose 2 options from the list per half term.
- These can be completed during the half term and handed in when you are ready.
- The homework will make up our Home Learning display and go into our Class Learning Journey book.
