

Minutes from Eco School Meeting - 18.1.19

Present:

Orlaigh and Charlie (Class 6), Luki and Saoirse (Class 5), Lyon and Ellie S (Class 4), Lyla and Rory (Class 3), Alex and Annie (Class 2), Ale and Eliza (Class 1) and Mrs Tennant and Miss Ketley

1. We talked about what it meant to be in the ECO school team. We discussed the responsibilities of being in the ECO meeting as follows:
 - a. We keep our classes up to date with any ECO activities that we are doing across the school.
 - b. We help remind our class and teachers to recycle paper and make sure there is a paper-recycling bin in each classroom.
 - c. We help remind teachers to save electricity by turning off light switches when we leave a room or put computers on standby by turning off the screen.
 - d. We remind our class about walk to school, ensuring they have all signed in and help promote active journeys to school to help pollution and win the walk to school golden boot.
 - e. We can create bird feeders and other such things to help entice animals into our school.
2. We talked about a competition that we could enter into which entails designing our own walk to school badge and the three chosen ones will be sent off to the company to. More information to follow.
3. We then talked about our ECO board outside the office and how it will display a picture of them so the school knows who is in their ECO team. The Eco board will also show the walk to school class results.
4. We took a visit to the ECO board so they knew where to look and where to direct their peers to.

Date and time of next meeting - TBC
