Dear Parents/Carers

Everbridge Severe Weather Closure of Schools System

On rare occasions, such as heavy snow, it may be necessary to close the school. At such times, communications can become slow due to high demand. Central information is more reliable and should be faster. Everbridge is the Hertfordshire notification system for school closure which will inform you by text/email alert if the school is closed. This system, combined with website updates and ParentMail messages, should ensure vital information reaches you quickly.

Parent Registration

To sign up, please follow this link: <https://member.everbridge.net/index/892807736725489#>

This will direct you to the "Sign Up" page - click on the "Sign Up" button and follow the instructions. It should take no more than a few minutes to register and you can edit your information if you change mobile number or email address.

If you have children at more than one school, you can register for these too by selecting the relevant schools.

I would be grateful if you would sign up to this system as soon as possible please.

Thank you for your cooperation.

Aisling Cannon
