3 April 2019

Dear Parents and Carers

The 11th May marks the beginning of the Sustainability Festival in St Albans. Last year, some remarkable 'Garbage Gobblers' were created in aid of this festival and this year we look to the children's creativity skills once more.

Suggested home learning over Easter is to create a piece of art work using recycled paper/ cardboard. This could come in either 2D or 3D form based on what the children would like to make. This is open for the whole school - Nursery to Year 2.

Here are some ideas to get you going. You can use a range of materials such as newspaper, collage, magazines, cardboard boxes, cardboard tubes etc.

The cardboard and paper world is your oyster!

If the idea of amazing artwork isn't enough of an incentive, then the prize for the winner is to be able to look after our lovely chicks for the weekend 4th & 5th May. They come with easy instructions and will provide hours of entertainment.

I look forward to seeing the wonderful creations which are due on 26th April. Flexi 1 Nursery can bring their artwork in on Wednesday 24th April. Thank you in advance.

Miss Ketley
