God forgives us.</p> <p>This topic: learning outcomes</p> <p>Know and understand:</p> <ul style="list-style-type: none"> • How rules can help at home and in school - Explore • The reasons for rules in the Christian family - Reveal <p>Acquire the skills of assimilation,</p>	<p>Fiction texts: <i>What a Mess!</i></p> <p>Using the above texts as a stimulus, the children will have a go at letter writing. They will explore the use of commands and exclamation sentences in their writing.</p> <p>Grammar: Revision of sentence writing; capital letter, full stop, checking writing for sense, commas in a list, commands and exclamation sentences.</p> <p style="text-align: center;">PSHE</p> <p>Topic: Relationships</p> <p>To learn about families and to know how to make friends</p> <p>To learn how to solve friendship problems</p> <p>Know how to show respect in how they treat others, and help themselves and others when they are upset</p> <p>Know and show what makes a good relationship</p>	<ul style="list-style-type: none"> • Securing fluency to 20 • Place value- making tens and some more • Place value and regrouping two-digit numbers • Counting on and back in tens from any number • Representing, ordering and comparing numbers to 100 and quantities for measures. • Estimation and magnitude • Numbers to 20, mental addition and subtraction • Finding complements of 10 and 100 and using measures

<p>celebration and application of the above - Respond</p>		
<p>Science - Animals including humans</p> <p>Children learn about how humans and other animals are born, grow and change, and what we need to survive and be healthy.</p> <p>Children classify different kinds of animal babies, learn about the basic needs that are shared by humans and animals, and research the differing needs of animals within our care. Focusing their own experiences, children explore the need for humans to eat a varied diet, to keep themselves clean, and to take regular exercise. Throughout the unit, the learning materials encourage children to make positive choices that contribute to a healthy lifestyle.</p>	<p style="text-align: center;">Whole school theme: Green</p> <p>Computing - Messages and Virtual Worlds</p> <ul style="list-style-type: none"> • To know the importance of instructions in the right order • Algorithms • Programing • Green Day Newsletter <p style="text-align: center;">PE</p> <ul style="list-style-type: none"> • Games sessions with specialist PE teacher. (1 x week) • Ball skills 	<p>Topic (History, Geography, Art, Music & D&T)</p> <p>Children will be exploring 'our world' (linked to our whole school theme- green). There will be a focus on:</p> <ul style="list-style-type: none"> • The Environment - How can we look after our planet? • Recycling • Plastic Pollution • Endangered animals <ul style="list-style-type: none"> • Green Day
